

The State Pharmaceutical Assistance Program of Indiana

Senior Prescription Facts

- There are over 700,000 seniors on Medicare in Indiana
- An estimated 99,000 have incomes below 135% of the Federal Poverty Level
- Many do not have insurance that helps pay for their prescription drug costs

“HoosierRx is critical to our continuing efforts to help seniors stay healthy, active and independent and now even more of our citizens can take advantage of this benefit.”
- Governor Joseph E. Kernan

To be Eligible, You Must:

- Be a permanent Indiana Resident
- Be age 65 or older
- Not have insurance that pays for prescriptions, Medicaid, or Medicaid with spend-down (It is okay to have a drug discount card from Medicare or another source)
- Have monthly income of
 - \$1,068 or less if single
 - \$1,426 or less if married

Over 21,000

Indiana Seniors receive assistance at the Pharmacy with their HoosierRx Card

New Benefits to Eligible Seniors:

- Save 75% of prescription costs at the pharmacy, up to a benefit limit
- Use the discount card to get medicines at a price below the usual retail rate
- Seniors can save more by using their HoosierRx card and a Medicare Approved Drug Discount Card in 2004 and 2005
- HoosierRx does not require its enrollees to use generic drugs.

The HoosierRx Card is accepted at
Over 1,200 Pharmacies
 across Indiana.

“I could never have made it without HoosierRx the last couple of years. Thank you.”
- HoosierRx Enrollee, Terre Haute

30-Day Supply	Retail Price	HoosierRx Rate	Cardholder Pays 25% Co-Pay	Cardholder Saves
